FIN# 432949- 1- 52- 01
**Old Dixie Highway
Bicycle and
Pedestrian Project
NE 13th St to the
Bridge over
Middle River**

Project Summary:

Where are we building?

- Old Dixie Highway - From NE 13th Street to the bridge over Middle River
- Broward County, City of Fort Lauderdale

What are we doing?

- Reducing the travel lane width and improving the shoulders on Old Dixie Highway to accommodate bicycle lanes in each direction.
- Fill in gaps to create a continuous a 5' wide sidewalk on each side of the roadway
- Add raised table intersections with crosswalks for increased pedestrian safety
- Install pedestrian lighting
- Improve drainage for the corridor including the addition of bio swales
- Install landscaping along the corridor

When will this happen?

- Construction scheduled to begin Approximately October 2016
- Anticipated completion January 2018
- Estimated construction cost is \$3.3 million
