 - ✓ Letter and Nextdoor post from Eric Oates :

Every work day I walk from NE 15 St to Wilton Manors along the sidewalk on Dixie Hwy. Who is responsible for trimming the plants along the sidewalk? Many times there are trees and bushes that you have to walk around or duck under.

I understand that in the past, the president of the association at the time would ask board of directors to reach out to the property owner to rectify the situation. If that did not work, a neighborhood work day was scheduled to take care of issues facing the neighbors. I am reaching out to get some help on that end. Calling code before trying to reach out to the owner first is just kind of cold and mean spirited, and tends to alienate people.
- **Thank you for your help,
Eric Oates**
