Barry Curtis

MRTNA Treasurer

TJ Fiori was born in Philadelphia PA. Grew up in the Hospitality industry. Moved to S. Florida in 1998 due to the cold and snow in the Northeast. As I was living here I decided that Finance was my forte so I got into the finance industry. Spent 18 years changing lives for the better. When I joined the Middle River Terrace Neighborhood Association many years ago I found it to be a very friendly and and inviting organization so I stayed on as Vice President for a few years and my mother was the treasurer. When my mother passed I stepped down but continued her role as treasurer for the past 7 years. Middle River Terrace is the place to live.
